

EU Registration Certificate

Official sources point to the EU registration certificate route for EU, EEA, and Swiss citizens who will live in Spain beyond 3 months. The usual order is to prepare the proof behind your residence basis, complete EX-18, generate the 790-012 fee form online, and attend the matching police appointment.

Step-by-step

- 1 Confirm that your stay is really a residence stay of more than 3 months and identify your residence basis: work, self-employment, study, or sufficient resources.
- 2 Prepare identity, NIE details if already assigned, padrón if the office expects local address proof, and the documents supporting your residence basis.
- 3 Download the official EX-18 form and complete it before the appointment.
- 4 Use the official 790-012 service to fill the fee form online and download it for payment.
- 5 Book the correct police appointment for the EU registration certificate and bring the form, fee proof, and supporting documents.

Common documents

- 1 Passport or EU national ID
- 2 EX-18
- 3 NIE details if already assigned
- 4 Padrón certificate or local address proof if requested by your office
- 5 Work contract, Social Security alta, self-employment proof, study enrollment, or resources and health-cover proof
