

Social Security number

After choosing Social Security, separate getting the number from being registered as active. The number identifies your file; employment or self-employment registration is a related work step.

Step-by-step

- 1 Confirm whether you need it for employment, self-employment, or another official procedure.
- 2 Prepare identity documents and NIE/TIE or passport details if requested.
- 3 Use the official Social Security process or ask your employer if they are handling registration.
