

TIE after approval

Official sources treat the TIE as the card step after a visa or favorable residence decision already exists. The practical order is to confirm approval, prepare EX-17 and the 790-012 fee, then book the police fingerprint/card appointment that matches your province and card type.

Step-by-step

- 1 Check that you already have the visa, favorable resolution, or authorization that gives you the right to request the TIE.
- 2 Download the official EX-17 form and complete it for the card issue step.
- 3 Generate the 790-012 fee form online and choose the TIE line that matches your card step.
- 4 Book the police appointment normally described as toma de huella or expedición de tarjeta.
- 5 Attend with passport, EX-17, approval or visa, photo, and paid fee proof.
